MAY PROVIDE DESIRED TEST

IMPORTANT CASE SCHEDULED TO COME TO TRIAL IN NEW YORK COURTS.

Constitutionality of Recently Passed Directors Liability Law Involved in Criminal Charge Against Owner of Brooklyn Property.

New York, February 28.—A case pending in the criminal courts of Kings County is believed to have a direct bearing on the constitutionality of the so-called directors' liability law which was enacted at Albany last year as part of the anti-race track legislation and was the actual cause of the closing of the racing season of 1910 on September 1. Several weeks ago an alleged gambling house in Brooklyn was raided and several arrests were made. The owner of the property a few days later was indicted by the grand jury charged with violating the liability law in that he was the owner of the building in which alleged gambling had been carried on, even though the alleged gamblers conducted their affairs without his knowledge.

When this case comes to trial some time next month it will probably excite unusual interest among racing men. They say it will be a test that will involve the constitutionality of the Agnew-Perkins measure which makes the owners and directors of Jockey Club race courses criminally liable if betting or bookmaking occurs there with or without their knowledge and consent. It was this law that went into effect last September and compelled the men who controlled race tracks in the state of New York to close the gates rather than run the risk of arrest and prosecution. The race track men declared when this law was enacted that it was both unfair and drastic, also that it would not stand a test in the courts, but naturally the racing directors and the stockholders were not willing to submit to criminal prosecution for the purpose of finding out their legal status.

It was understood that the liability law would be tested by civil action brought against the majority stockholders of the Westchester Racing Association and the Coney Island Jockey Club by the minority stockholders to compel the majority to show why they had voted to close the tracks. It was thought that such procedure would result in a judicial opinion as to the legality of the directors' measure which might have a moral effect when considered by the prosecuting authorities of different counties. But so far these civil suits have not materialized and it is said that the race track attorneys have practically decided to abandon them for the present at least.

The new law which makes "bookmaking with or without writing" a misdemeanor punishable by imprisonment only will receive a thorough test later on, it is said. According to men who usually know what they are talking about the term "bookmaking without writing" will mean nothing. They say there is no law against betting and they insist there is a vast difference between betting and bookmaking. These men, who have made a study of the anti-race track laws, declare that as the Court of Appeals decided in November, 1909, that betting was not a violation of the State Constitution it will be re-established that wagers on horse races are not illegal, hence the directors' liability law, they believe, will not be worth the paper on which it is printed. It is stoutly maintained that individual betting, which, according to many legal experts, is not bookmaking, will be permitted by the courts as soon as test cases involving the new "with or without" law have been argued.

The Jockey Club stewards are not discussing their plans for publication, while the track owners are equally reticent, but it is generally believed that there's plenty of activity under the surface.

JUAREZ GETS MORE RAIN.

El Paso, Tex., February 28.—Disagreeable weather conditions, accompanied by light showers during the afternoon, caused a falling off in the usual Tuesday afternoon's attendance at Terrazas Park. A card of more than ordinary quality was down for decision, the chief attraction being the Sierra Madre Handicap at one mile, which, owning to altered track conditions, suffered by the withdrawal of Helmet and Round the World at a late hour. Jupiter Joe was added and was well backed.

The light-weighted Mockler, from the stable of J. C. Cahn, was returned the winner. He forged to the front in the final stages and disposed of Intrinsic with rare gameness.

Barney Schreiber arrived this morning, en route to San Francisco. He expressed himself as well pleased with the success of his string here and, although rather inclined to be pessimistic regarding the future of racing in Missouri, he still retains hope that bills will be passed that will admit of the resumption of the sport in that state.

Jockey Denny was suspended for five days by starter Cassidy for breaking through the barrier with Napa Nick in the third race.

The victory of Michael Angelo in the sixth race signalized the first success for the stable of R. J Mackenzie at Juarez.

Jockey J. Howard resumed riding today after an enforced lay-off of two weeks.

NOTES OF THE TURF.

Matt Byrnes is to re-enter racing as a trainer.

Prestolite died at Juarez recently from fever contracted en route from Oakland.

George W. Berry will race the three-year-old Tim Judge and twelve two-year-olds for A. B. Spreckels in the east until midsummer, when he will return to California to look after the Spreckels yearlings.

The liberal element is again in control of things at Hot Springs, Ark., and W. W. Waters, who recently worsted the reform candidate in the primary contest for mayor, has come out strongly for legislation that will permit racing at Oaklawn and Essex Parks.

Two noted mares were lost to Canadian breeding by the recent deaths of Princess Flavia and Lyddite. The last named won the King's Plate for the late Mr. Hendrie in 1902, and when retired to the Valley Farm she became the dam of Shimonese, the Plate winner of two years ago. Princess Flavia, a daughter of Prince Rudolph, the last of the Prince Charlies, showed superior class on the turf, but was an unfortunate breeder, and several of her progeny met with mishaps that prevented their training.

BELMONT STALLIONS FORMALLY ACCEPTED.

Washington, D. C., February 28.—Judge Advocate General Crowder having decided that the War Department is at liberty to accept the fine stallions Henry of Navarre and Octagon from August Belmont for the purpose of improving the breed of the United States cavalry horses, the War Department today called upon the Treasury Department for permission for the free importation into this country of the animals named, which are now in France. Since Mr. Belmont's gift the department has received several tentative offers of fine breeding animals from other horsemen, some of which will doubtless be accepted.

KING'S DAUGHTER DISAPPOINTS.

Fails to Show Any of Her Wonted Speed in Handicap Taken by Guy Fisher.

Jacksonville, Fla., February 28.—Guy Fisher showed a good performance in the feature race at Moncrief Park this afternoon when he picked up 119 pounds, set a dazzling pace and, after racing some speedy sprinters into early submission, won with something in reserve in 1:12⅘ for three-quarters of a mile. Among those behind the winner were Thomas C. McDowell's good race mare, King's Daughter, and the Cesarion colt, Alfred the Great. The latter was in with a light impost, being asked to carry but 106 pounds. King's Daughter was making her first appearance of the season in this race and on the strength of some brilliant work was well supported. She failed to display any of her keen speed in the race.

A race for gentlemen riders was provided as an additional attraction and it resulted in a good contest. El Oro, with a son of James Blute in the saddle, won by a head from Golconda, ridden by Frank Ortell. Golconda came from behind and, closing stoutly, would have won in another stride. Guy Fisher and El Oro were the only favorites that scored.

The two-year-old race furnished a driving finish, in which Erella was first home a nose in advance of Auto Maid. This pair raced like a team throughout and Erella was lucky enough to have her nose in front in the final nod.

Five of the races were selling affairs and, strange to relate, there were no run-ups or claims.

Booth Thompson, a horseman from Kentucky, who shot a local man here Sunday night as a result of a cispute on a street car, is still in jail, bail having been refused pending the condition of the victim, C. J. Pierce, a cashier in one of the wholesale houses here.

Among the arrivals today were W. Burke, who came from Tampa, and Tod Smith, proprietor of the Metropole Hotel of Detroit.

The meeting here has been a great success although there has not been as many books on as there were last winter. The attendance was light during the earlier days of the meeting, but during the past six or eight weeks the crowds have been large. With the increased admission the chances are that the gate receipts show an increase over those of last year for the corresponding period.

MESSENGER BOY WINS AGAIN.

Tampa, Fla., February 28.—Eugene Lutz' good colt, Messenger Boy, came back today and achieved another victory. The manner in which he won impressed the horsemen.

There was a big slump in speculation. Had it been more voluminous the layers would have reaped a big profit.

J. F. Sweeney, the young Washingtonian who is gathering a stable to campaign at Jamestown, Marlboro and Baltimore, added to it today by purchasing Sweet Owen and Tom Shaw.

DEFY began slowly, but came fast and steadily from the rear and, taking the lead, cut across in front of BILL LAMB in the stretch and won going away. BILL LAMB was outrun early, but moved up fast and raced JACK LAMAR into defeat, then was interfered with by DEFY in the stretch and finished gamely. YO PUEDO was a forward and game contender throughout. JACK LAMAR showed speed and set a fast pace, but quit badly under pressure. A foul was claimed for BILL LAMB, but not allowed.

OBLIVION ran a good race, was close up all the way and finished gamely. SHOT was interfered with on the turn, but came again gamely into a distant third. BACCARRA, off badly, made up ground. PETITE OISEAU and BEECHMONT showed early speed, but failed to stay. The winner, entered for $300, was bid up to $500 and sold to J. Johnston.

Went to post at 3:16. At post 1 minute. Start fair. Won driving; second and third the same. TERN'S TRICK was fastest and showed great speed in drawing away into a long lead, but tired and, after a long, hard drive all through the stretch, just lasted long enough to win. NAPA NICK was outrun for the first quarter, then gained steadily and finished resolutely, but could not quite get up in a close finish. FOUNTAIN SQUARE was badly outpaced for the first half, but finished fast. PRIDE OF LISMORE and DR. SMOOT showed speed, but quit badly in the stretch.

MOCKLER ran forwardly from the start and, moving up fast on the last turn, took the lead midway of the stretch and won drawing clear. INTRINSIC ran far back for the first half, then moved up and made a fast stretch sprint, but tried to sneak through next to the rail and was forced to be taken up, probably costing her the race. HARRIGAN set the pace to the stretch and tired under his weight, but hung on gamely. JUPITER JOE ran a good half, then retired.

Time, **25, 49⅗, 1:16, 1:41⅕.** **Track good.**

Winner—Ch. h, by Ornus—May Angelo (trained by E. Whyte).

Went to post at 4:41. At post 1 minute. Start good. Won driving; second and third the same. MICHAEL ANGELO, best ridden, opened a good early lead quickly and set the pace all the way, but carried SIGURD out all through the stretch and barely managed to win. SIGURD was best and, forcing the pace throughout, would have won but for being carried wide through the last eighth. INDIAN MAID was a close contender for three-quarters, then tired badly. BUCKTHORN finished well. JOHN LOUIS did not seem to like the going and was always outpaced.

Overweights—Sigurd, 3 pounds; Bad News, 1.

Secretary E. C. Smith received a letter today from Robert Leighton announcing that there would be twenty-eight days of racing at Vancouver, B. C., and fourteen days at Victoria.

E. W. Moore has transferred his contract on jockey Quinlan to J. H. Waggoner.

J. A. Strode has purchased Sanctim from C. E. Patterson.

Horsemen here are greatly encouraged by the reports that favorable racing legislation is in prospect in various parts of the country.

While it has been announced that racing would be prolonged here until March 25, it by no means follows that this will be the closing date. Should conditions warrant a continuance the meeting will go on indefinitely, or up to the time that the Florida anti-betting laws become operative on May 1. The prolonged continuance here will naturally preclude a return to Pensacola. Many think a return there would be expensive and unprofitable to the management and horsemen. The transportation of at least 200 horses would entail an outlay of $3,000, and as most of this sum would have to be defrayed by the association until the owners could win it out it would start the management off a big loser, with unlikely prospects of a return on the investment, in view of the disappointing experience during the last meeting at Pensacola.

CANADIAN GOVERNMENT WILL AID.

Montreal, Que., February 28.—The Canadian Breeding Bureau delegates have returned from Ottawa, after having held a conference with Hon. Sydney Fisher, Minister of Agriculture, and Sir Frederick Borden, Minister of Militia and Defense. As a result, the thoroughbred horse is nearer to governmental recognition than at any time in the history of Canada. The case was presented in the form of a memorial, showing the benefit of the work, both in peace and war, and the bureau won on both arguments.

In reply, Sir Frederick Borden stated that from an army standpoint the introduction of thoroughbred blood into the common stock was a departmental necessity. The Hon. Sydney Fisher said that such blood was needed in all parts of Canada, and would be the salvation of the horse-breeding industry in this country. Colonel Lessard, adjutant-General of the Canadian forces, was enthusiastic over the bureau work, and looked upon it as the only practical solution of the remount problem.

Dr. J. G. Rutherford, Live Stock Commissioner of Canada, was emphatic in his praise of the bureau work and stated that farmers and breeders of Canada would never be able to thank the bureau sufficiently for the good work which had already been done.

Hon. Clifford Sifton stated that never in the history of horse breeding had a country received such a chance of doing a great good at a trifling expense. He dwelt upon the absolute necessity of thoroughbred blood for both peace and war purposes.

Mr. Hern, M. P., of Alberta, told of the good work being done by the bureau in that province, and offered proofs of its practical nature.

"No matter how liberal the government may be," said he, "in giving financial aid to the National Bureau, there will not be one dissenting voice in the House of Commons."

Glen Campbell, M. P. of Manitoba, told of farmers in his district coming fifty miles with their cold-blooded mares. "The Hudson Bay Company," said he, "as far back as 1831 brought thoroughbred sires into western Canada, and here and there you can see the good results of that infusion even now. In those days the Hudson Bay Company was the government of the Canadian west, so this government in giving a grant has a precedent seventy-five years old."

Thomas McNutt, M. P., Senator T. A. Davis and A. Champagne, M. P., told how the bureau had spread in Saskatchewan as far north as Prince Albert. Mr. McNutt, who lives at Saltcoats, said: "The finest thoroughbred I ever saw was placed at my barn door, free of charge and with freight prepaid by this bureau. As a result, all my neighbors can get the use of him at a very small fee."

Dr. J. P. Malloy, M. P. of Morris, Man., told of the success of the work in his part of Canada, and strongly advocated government aid.

Abundant evidence was produced to show the success of the bureau in Ontario, Quebec and the Maritime provinces and many letters of commendation were filed from prominent military and civil officials in Canada and England.

The deputation was the most successful that has visited Ottawa this year, and with both ministers favorable, a joint annual grant is assured.

VALUABLE STAKES CLOSE TODAY.

Western owners are reminded that the fine array of stakes offered by the New Louisville Jockey Club and the Latonia Association close for entries today. No cloud or doubt attends the affairs of these prosperous and law-protected racing organizations, and it is quite the personal interest of all owners to make liberal entries. In nearly every case there is an important increase in values and the list of nominations should be sufficient to show that this is appreciated by those to whom it must prove chiefly beneficial. It is not to be forgotten that entries mailed prior to midnight of tonight will be in time.

JUAREZ! JUAREZ!

The horse I advertised for this track the past two weeks goes for the money tomorrow or Saturday

This horse will be the medium of a killing, has been at the track the past three weeks and has been working great guns. We must have a fast track, as this horse don't like the mud. I have a line on several that have been racing at Oakland that will run at this track. Get in line with me. I only charge you for winners. I don't get them every day, seldom more than three a week. Also Occasionals from Jacksonville.

REGULAR SUBSCRIBERS CAN LOOK FOR WIRE ANY DAY.
